Choi comes a compulsively readable novel that shows young love in all its awkward glory—perfect for fans of Eleanor & Park and To All the Boys I’ve Loved Before. For Penny Lee, high school was a total nonevent. Her friends were okay, her grades were fine, and while she’d somehow landed a boyfriend, they never managed to know much about each other. Literally, figuratively, emotionally, financially. He works at a café and sleeps there too, on a mattress on the floor of an empty storage room upstairs. He knows that this is the god-awful chapter of his life that will serve as inspiration for when he’s a famous movie director but right this second the seventeen bucks in his checking account and his dying laptop are really testing him. When Sam and Penny cross paths it’s less meet-cute and more a collision of unbearable awkwardness. Still, they swap numbers and stay in touch—via text—and soon become digitally inseparable, sharing their deepest anxieties and secret dreams without the humiliating weirdness of having to, you know, see each other.

But fate is cruel—I require his help to secure a much-coveted internship, and the sexy jerk isn't making it easy for me. I need Connelly to be my fake boyfriend. For every fake date...he wants a real one. Which means this bad girl is in big trouble. Nothing good can come from sneaking around with Jake Connelly. My father would kill me, my friends will revolt, and my post-college career is on the line. A Good Day to Die - Jim Harrison 2016-05-03

A road trip novel of three desperate souls fueled by drugs, alcohol, and delusions—from the New York Times—bestselling author of Legends of the Fall. The author of thirty-nine books of fiction, non-fiction, and poetry, Jim Harrison was one of our most beloved and acclaimed writers, adored by both readers and critics. His novel, A Good Day to Die, centers on an unlikely trio: a poet with a tendency to lapse into beatific reveries of superb fishing in cold, fast streams; a Vietnam vet consumed by uppers, downers, and violence; and a girl who loved only one of them—at first. With plans conceived during the madness of one long drunken night, the three of them leave Florida, driving west to buy a case of dynamite, determined to save the Grand Canyon from a dam they believe is about to be built. A Good Day to Die is an unrelenting tour de force, and a dark exploration of what it means to live beyond the pale in contemporary America.

“Mr. Harrison’s perceptions are jagged and cutting . . . A remarkably well-plotted story.” –Christopher Lehmann-Haupt, The New York Times

The Spanish Love Deception - Elena Armas 2022-02-08

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean

and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

Noise Damage - James Kennedy 2020-08-10

'Harrowing, funny and 100% true' Ginger Wildheart The tale that follows is not another clichéd collection of rock'n'roll debaucheries (sorry) nor is it another tired fable of triumph over adversity (you're welcome). It's the story of a half-deaf kid from a tiny, remote village in South Wales who was hailed as a genius by the UK's biggest radio station and headhunted by major record labels, only for the music industry to collapse. It crashed hard, taking with it an entire generation of talented artists who would never now get their shot. CNN called it 'music's lost decade'. Along the way, there are goodies, baddies, gun-toting label execs, life-saving surgeons, therapy, true love, loyalty, hope, breakdowns, suicidal managers, betrayal, drummers and way too many hangovers. James Kennedy shows that the best lessons are to be learned from good losers. It really is all about the journey. Part memoir, part exposé of the music world's murky underbelly, *Noise Damage* is emotional, painfully honest, funny, informative and ridiculous. It's also a celebration of the life-changing magic of music.

Talulla Rising (The Last Werewolf 2) - Glen Duncan 2012-04-05

The birth leaves her ravaged, but with her infant son in her arms it looks as if the worst is over. Until the door bursts open - and she discovers that the worst is only just beginning . . . Talulla is plunged into a race against time to save her son. Tormented by guilt and fuelled by rage, she is pursued by deadly forces - from a psychotic new WOCOP leader to blood-drinking religious fanatics and (rumour has it) the oldest living vampire on earth. Hopeless odds. Unless, of course, a mother's love for her child turns out to be the deadliest force of all . . .

Someone Who Will Love You in All Your Damaged Glory - Raphael Bob-Waksberg 2019-06-11

Written with all the scathing dark humor that is a hallmark of *BoJack Horseman*, Raphael Bob-Waksberg delivers a fabulously off-beat collection of short stories about love—the best and worst thing in the universe. Featuring:

- A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding.
- A pair of lonely commuters who ride the

subway in silence, forever, eternally failing to make that longed-for contact. • A struggling employee at a theme park of U.S. presidents who discovers that love can't be genetically modified. And fifteen more tales of humor, romance, whimsy, cultural commentary, and crushing emotional vulnerability.

Paddle Your Own Canoe - Nick Offerman 2013-10-01

Parks and Recreation actor and Making It co-host Nick Offerman shares his humorous fulminations on life, manliness, meat, and much more in this New York Times bestseller. Growing a perfect moustache, grilling red meat, wooing a woman—who better to deliver this tutelage than the always charming, always manly Nick Offerman, best known as Parks and Recreation's Ron Swanson? Combining his trademark comic voice and very real expertise in woodworking—he runs his own woodshop—Paddle Your Own Canoe features tales from Offerman's childhood in small-town Minooka, Illinois—"I grew up literally in the middle of a cornfield"—to his theater days in Chicago, beginnings as a carpenter/actor and the hilarious and magnificent seduction of his now-wife Megan Mullally. It also offers hard-bitten battle strategies in the arenas of manliness, love, style, religion, woodworking, and outdoor recreation, among many other savory entrees. A mix of amusing anecdotes, opinionated lessons and rants, sprinkled with offbeat gaiety, Paddle Your Own Canoe will not only tickle readers pink but may also rouse them to put down their smart phones, study a few sycamore leaves, and maybe even hand craft (and paddle) their own canoes.

L'année s'annonce d'autant plus difficile que son voisin semble bien décidé à lui empoisonner l'existence. ***The Greatest Love Story Ever Told* - Megan Mullally 2019-09-03**

A New York Times Bestseller Megan Mullally and Nick Offerman reveal the full story behind their epic romance—presented in a series of intimate conversations between the couple, including photos, anecdotes, and the occasional puzzle. The year: 2000. The setting: Los Angeles. A gorgeous virtuoso of an actress agreed to star in a random play, and a basement-dwelling scenic carpenter said he would

assay a supporting role in the selfsame pageant. At the first rehearsal she surveyed her fellow cast members, determining if any of the men might qualify to provide her with a satisfying fling. Her gaze fell upon the carpenter, and like a bolt of lightning the thought struck her: no dice. Moving on. Yet, unbeknownst to our protagonists, Cupid had merely set down his bow and picked up a rocket launcher...that fired a love rocket (not a euphemism). The players were Megan Mullally and Nick Offerman, and the resulting romance, once ignited, was...epic. Beyond epic. It resulted in a coupling that has endured to this day; a sizzling, perpetual tryst that has captivated the world with its kindness, athleticism, astonishingly low-brow humor, and true (fire emoji) passion. How did they do it? They came from completely different families, ignored a significant age difference, and were separated by the gulf of several social strata. Megan loved books and art history; Nick loved hammers. But much more than these seemingly unsurpassable obstacles were the values they held in common: respect, decency, the ability to mention genitalia in almost any context, and an abiding obsession with the songs of Tom Waits. Eighteen years later, they're still very much in love and have finally decided to reveal the philosophical mountains they have conquered, the lessons they've learned, and the myriad jigsaw puzzles they've completed. Presented as an oral history in a series of conversations between the couple, the book features anecdotes, hijinks, photos, and a veritable grab bag of tomfoolery. This is not only the intoxicating book that Mullally's and Offerman's fans have been waiting for, it might just hold the solution to the greatest threat facing our modern world: the single life.

Rien ni personne n'est en mesure d'ébranler Roméo Moretti. Surtout pas une femme. Mais force est de constater que je me fourrais le doigt dans l'œil. Sauf que cette nana m'a percuté de plein fouet, et une femme telle que Clém est capable de ramollir le truc logé dans la cage thoracique d'un mec comme moi. Et ça, je vous assure que je n'y étais absolument pas préparé. Désormais, pour elle, je suis prêt à tout. Même à consentir qu'un putain de Cupidon qui n'est pas fichu de se mêler de ses fesses me transforme en un foutu chamallow ! Go the Fk to Sleep** - Adam Mansbach 2011-06-14

The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." *Go the Fuck to Sleep* is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.
